 (A) Mental Illness means a substantial disorder of thought, mood, perception, orientation, or memory that gross impairs judgment, behavior, capacity to recognize reality, or ability to meet the ordinary demands of life. (B) "Mentally ill person subject to Court order" means a mentally ill person who, because of the person's illness: Please mark appropriate box with an X: 	ly
Represents a substantial risk of physical harm to self as manifested by evidence of threats of, or attempts at, suicide or serious self-inflicted bodily harm;	
Represents a substantial risk of physical harm to others as manifested by evidence of recent homicidal or or behavior, evidence of recent threats that place another in reasonable fear of violent behavior and serious phharm, or other evidence of present dangerousness;	
Represents a substantial and immediate risk of serious physical impairment or injury to self as manifested to evidence that the person is unable to provide for and is not providing for the person's basic physical needs to the person's mental illness and that appropriate provision for those needs cannot be made immediately avain the community; or	pecause of
Would benefit from treatment in a hospital for the person's mental illness and is in need of such t as manifested by evidence of behavior that creates a grave and imminent risk to the substantial others or the person.	
Would benefit from treatment as manifested by evidence of behavior that indicates all of the following:	

..........

- (i) The person is unlikely to survive safely in the community without supervision, based on a clinical determination.
- (ii) The person has a history of lack of compliance with treatment for mental illness and one of the following applies:
- (I) At least twice within the thirty-six months prior to the filing of an affidavit seeking court-ordered treatment of the person under section 5122,111 of the Revised Code, the lack of compliance has been a significant factor in necessitating hospitalization in a hospital or receipt of services in a forensic or other mental health unit of a correctional facility, provided that the thirty-six month period shall be extended by the length of any hospitalization or incarceration of the person that occurred within the thirty-six month period.
- (II) Within the forty-eight months prior to the filing of an affidavit seeking court-ordered treatment of the person under section 5122.111 of the Revised Code, the lack of compliance resulted in one or more acts of serious violent behavior toward self or others or threats of, or attempts at, serious physical harm to self or others, provided that the forty-eight-month period shall be extended by the length of any hospitalization or incarceration of the person that occured within the forty-eight-month period.
- (iii) The person, as a result of the person's mental illness, is unlikely to voluntarily participate in necessary
- (iv) In view of the person's treatment history and current behavior, the person is in need of treatment in order to prevent a relapse or deterioration that would be likely to result in substantial risk of serious harm to the person or others.
