**RULES OF PRACTICE AND PROCEDURE
SENECA COUNTY COURT OF COMMON PLEAS
JUVENILE DIVISION**

It is ordered that the following rules shall be adopted for the governance of the practice and procedures in the Court of Common Pleas, Juvenile Division, Seneca County, Ohio, until otherwise provided pursuant to Article IV, Section (5) of the Ohio Revised Constitution, to Section §2123.15 of the Ohio Revised Code, and to the Rules of Superintendence promulgated by the Supreme Court of Ohio.

Adoption, Scope, and Construction of Rules

The Juvenile Division of the Common Pleas Court for Seneca County, Ohio, adopts the following Rules for the management of proceedings and other functions of the Court. The Court may amend the Rules from time to time as needed or required by law.

If an amended rule or appendix conflicts in any way with a prior Order of the Court, the Rules in existence at the time of the Order shall be followed unless otherwise directed by the Court.

These Rules are intended to supplement the Ohio Juvenile Rules of Procedure, the Ohio Civil Rules of Procedure, the Superintendence Rules of the Supreme Court of Ohio, and controlling statutes.

These Rules shall be effective February 01, 2023.

RULE 1 GENERAL

RULE 1.01 SESSIONS OF COURT

(A) The Seneca County Juvenile Court shall be open daily from 8:30 a.m. to 4:30 p.m. on all business days, Monday through Friday, with legal holidays, and the day following Thanksgiving, as observed by law. The Juvenile Clerk of Court, at the discretion, and upon the Order of the Judge, may be open or closed at other hours for matters of extraordinary nature or importance.

RULE 1.02 CONDUCT IN COURT

(A) Any person entering the Juvenile Court is subject to search at any time by any law enforcement officer, Court Bailiff or Juvenile Court Probation Officer. Any item, container, book bag, backpack, vehicle or possession, within the confines of the Courthouse or upon the Courthouse property, shall be subject to search and inspection at any time by any law enforcement officer, Court Bailiff, or Juvenile Court Probation Officer.

(B) The Court will not tolerate any inappropriate facial expressions, grimaces or gestures during any Court appearance. Rude and disrespectful behavior towards opposing counsel, parties, witnesses, jurors or Court staff will not be tolerated. Any of these actions may be considered by the Court as direct Contempt.

(C) All attorneys, parties and witnesses should wear appropriate attire to Court. The Court considers appropriate attire as clothing Seneca County residents would wear to important events in their lives. Counsel should ensure that their clients and witnesses are appropriately attired. Failure of such may result in the hearing or trial being postponed and costs assessed. Hats shall be removed upon entering the Courtroom.

(D) The general public may be excluded from the courtroom and only those persons who have a direct interest in the case are to be admitted, in accordance with Ohio Revised Code §2151.35(A). Hearings regarding charges against adults and serious youthful offenders will be open in accordance with Ohio Revised Code §2152.

(E) Attorneys may remain seated when addressing the Court unless otherwise directed by the Court. Objections shall be stated with consistency and with reliance on proper legal authority.

(F) Any person who brings a child to Court shall not leave the child unattended or allow the child to disrupt the proceedings of the Court. Children are generally not permitted in the Courtroom unless the Court has required that the subject child(ren) shall be present.

(G) Food, beverages, and smoking materials are prohibited in the Courtroom during all hearings. No smoking is permitted on the premises of the Courthouse as provided for by law.

(H) The Courtroom shall be cleared at all recesses unless instructed otherwise by the Court.

(I) Representatives of the media will under no circumstances question or converse with prospective or selected jurors concerning a cause set for trial.

(J) All cellular phones and other communication devices are to be turned off by all persons before entering any courtroom. Cellular phones and other communication devices are to remain off during any Courtroom proceeding. The use of Text Messaging and E-Mails during Court hearings are prohibited by all parties unless authorized by the Court.

(K) No person shall have on his or her possession, or under his or her control or direction, any dangerous ordnance other than law enforcement officer(s) and Court Bailiffs on official business. No firearms, deadly weapons, or dangerous ordnances are permitted in the Courthouse or upon the property surrounding the Courthouse.

RULE 1.03 COURT RECORDS

(A) The Clerk of this Court shall not permit original files to be removed from the Clerk's Office by anyone other than Court personnel, unless the same are to be delivered to the Judge or Magistrate of said Court, or unless removal is authorized in writing by the Judge or Magistrate. The inspection of Court records by attorneys shall be guided by Rule 32(c) of the Ohio Rules of Juvenile Procedure. Counsel of record may view these reports at the Clerk's office. Records may not be removed from the Court, and shall not be copied by any party without leave of the Court. Inspection by pro se litigants may be permitted only by leave of Court. The Court may limit or deny the inspection of said documents for good cause pursuant to Rule 32(c).

(B) Subject to Rule 1.03 (E) and (F), no person, including parties or counsel, shall have access to or right to inspect any social histories, psychological reports, or probation records without written authorization from the Judge or Magistrate, or by the written consent of the juvenile herein. The written consent of the juvenile shall be executed at the Court in the presence of an officer of the Court or Deputy Clerk.

(C) Written requests for information (i.e., military, employment, government) will be processed within seventy-two (72) business hours. Written requests may be hand delivered, mailed or faxed to the Court and must be accompanied by a signed release of information. A copy of the Juvenile Prior sheet will be the only information provided. If the juvenile is under the age of eighteen (18), a parent or legal custodian must also sign the release.

(D) Uncertified copies of any public record may be obtained at the cost of \$0.05 per page. Certified copies of any public record may be obtained at the cost of \$0.05 per page and \$1.00 for certification.

(E) To the extent not covered by other statute or rule, in Custody and Visitation cases Psychological reports, Guardian ad litem reports, home studies, drug/alcohol assessments, drug screen results, victim impact statements, school reports, reports and records of the Probation Department, reports and records from the Seneca County Department of Job and Family Services, shall be considered confidential information and shall not be made available to the general public.

(F) As to Patchworks House observation reports, they may be transmitted to the Court at the discretion of Patchworks House unless a party requests an Order for reports to be sent to the Court. The reports will be subject to Attorney review at the Court's discretion. Inspection by pro se litigants may be permitted only by leave of Court. All Patchworks House reports held by the Court at the conclusion of the case not admitted as evidence will be destroyed.

(G) In a proceeding to resolve a dispute over the custody of a child, records of a parent's supervised visitation with that child shall not be admitted without a proper predicate. The term "record" as used in this paragraph includes written observation reports, videotapes, and oral testimony by employees of visitation centers. Written reports may be introduced only when the party offering the report has demonstrated by clear and convincing evidence that the report's author is unavailable, and that the report is supported by substantial indicia of reliability. The above restrictions notwithstanding, the Court may in its discretion admit records of critical incidents at visitations. The term "critical incident" means conduct by a parent that warrants termination of a visit.

(D) The record or transcript of any in camera interview shall be sealed, to be opened only by the Court or upon order of the Court. Only Counsel for the child may have access to the transcript of the child's interview and only and then only upon written motion and judgment entry signed by the Court. The parents shall have no access to the report of the interview, even if the record has been transcribed for purposes of the appeal or objections.

1.04 EX PARTE COMMUNICATIONS WITH JUDGE OR MAGISTRATE

(A) No attorney or party shall discuss, or attempt to discuss, the merits, either orally or in writing, of any litigation with any Judge or Magistrate presiding over the matter before final disposition thereof without the presence of opposing counsel, or the unrepresented party.

(B) Letters received by the Court shall not be accepted as an attempted form of direct communication with the Judge or Magistrate. Any letter, e-mail, or facsimile will be returned to the party or destroyed.

RULE 1.05 OFFICIAL RECORD OF PROCEEDINGS

(A) All matters heard by the Judge or the Magistrate utilize a digital recording system. All discussions, that are not part of official Court proceedings, should be held outside of the Courtroom in order to ensure the confidentiality of these discussions. Any communications on any recording which are not part of the proceeding shall not be transcribed for any reason.

(B) No public use shall be made by any person, including a party, of any Juvenile Court record, including the recording or transcript thereof of any Juvenile Court hearing, except in the course of an appeal or as authorized by the order of the Court.

(C) If a request for a transcript is made for the purposes of appeal or an objection filed pursuant to Juvenile Rule 40 and Civil Rule 53, the person seeking the transcript must file a request to the Court to transcribe the record. The Court will then provide the information to the Court Reporter utilized by the Court. No transcript will be prepared by the Court Reporter until

payment is made. The Court Reporter may demand payment in full prior to the preparation of the transcript, except for Prosecuting Attorneys, Public Defenders, and indigents. All original transcripts produced shall be filed with the Clerk by the Court Reporter and become a part of the official court record of a case.

The transcript shall include a front and back cover; the front cover shall bear the title, case number of the case and the name of the court in which the proceedings occurred. The transcript shall be firmly bound on the left side and shall be prepared on white paper eight and one-half inches by eleven inches in size with the lines of each page numbered and the pages sequentially numbered. An index of witnesses shall be included in the front of the transcript of proceedings and shall contain page and line references to direct, cross, re-direct, and re-cross examination. An index to exhibits, whether admitted or rejected, briefly identifying each exhibit, shall be included following the index to witnesses reflecting the page and line references where the exhibit was identified and offered into evidence, was admitted or rejected, and if any objection was interposed. The transcriber shall certify the transcript of proceedings as correct and shall state whether it is a complete or partial transcript of proceedings, and, if partial, indicate the parts included and the parts excluded.

RULE 1.06 ACCESS TO JUVENILE PROCEEDINGS: MEDIA

- (A) Definition: For purposes of these rules, the term “media” shall be understood to encompass representatives from any print or broadcast media.
- (B) Superintendence Rule 12 shall govern the presence of media at hearings. Hearings governed by the Ohio Rules of Juvenile Procedure are neither presumptively open nor presumptively closed to the public and the media. - (C) Unless otherwise ordered by the Court, access to juvenile traffic, delinquency, unruly, neglect, abuse, and dependency proceedings shall be limited to persons with a direct interest in the proceedings. Alleged victim’s access to proceedings shall be coordinated by the Seneca County Victim’s Assistance Program.
- (D) Other persons or entities seeking access to proceedings shall request access by written communication to the Court. - (E) Requests for permission to broadcast, televise, record, or photograph in the courtroom shall be in writing to the Court as far in advance as reasonably practical, but in no event later than twenty-hour (24) hours prior to the courtroom session to be broadcast or photographed unless otherwise permitted by the Court. Such requests shall be made a part of the record of the proceedings.
- (F) If access is permitted, the Court, after consultation with the media, shall specify the place or places in the courtroom where the operators and equipment are to be positioned.
- (G) Members of the media or public shall not be permitted to enter the Judge or Magistrate's chambers or accesses without judicial approval.

 - (3) For radio broadcast purposes, not more than one audio system shall be permitted in Court. Where available and suitable, existing audio pickup systems in the Court facility shall be used by the media. In the event no such systems are available, microphones and other electronic equipment necessary for the audio pickup shall be as inconspicuous as possible, but must be visible.
 - (4) Visible audio recording equipment may be used by news media reporters with the prior permission of the Court.
 - (5) Arrangements between or among media for "pooling" of equipment shall be the responsibility of the media representatives authorized to cover the proceedings. Such arrangements are to be made outside the courtroom and without imposing on the Judge, Magistrate, or Court personnel. In the event disputes arise over such arrangements between or among media representatives, the Court shall exclude all contesting representatives from the proceedings.

- (2) The Court shall inform victims and witnesses of their right to object to being filmed, videotaped, recorded, or photographed and objections, if any, shall be honored by the media.

(J) Miscellaneous

- (1) Proper courtroom decorum shall be maintained by all media representatives.
- (2) All media representatives shall be properly attired, in a manner that reflects positively upon the journalism profession.

(K) Revocation of Permission

Upon the failure of any media representative to comply with the conditions prescribed herein, the orders and directions of the Court, and/or the Superintendence Rules of the Supreme Court, the Court may revoke the permission to broadcast or photograph the trial or hearing.

(L) Amendments

Any future amendments to the laws governing public access to and recording of Court proceedings are incorporated herein and, to the extent that such amendments conflict with his rule they shall take precedence.

RULE 1.07 TECHNOLOGY PLAN

As required by Sup. R. 5(E) effective July 1, 2022, the court adopts the following technology plan for the purposes of ensuring the efficient and effective use of technology in the delivery of services of the court.

The intent of this rule is to promote uniformity in the practices and procedures related to the use of technology in cases where such appearances are permitted by these rules, court order, statute or other rules of court.

Notwithstanding any other provisions of this rule, the judge may order a party's personal appearance in the court for any pretrial conference, hearing, or proceeding. For all proceedings, the court may require a party to appear in person, including at a pretrial conference, hearing, or proceeding in which a telephone or video appearance is otherwise permitted, if the court determines that a personal appearance would materially assist in the determination of the proceedings or in the effective management or resolution of a particular case.

A. Telephone Appearances.

The Court, on its own motion or upon the request of any party, may in its discretion conduct pretrial conferences, hearings, and proceedings via telephone with attorneys and unrepresented parties.

1. If approved by the court, a party may appear by telephone at the pretrial conferences, hearings, and proceedings.

2. Parties who wish to appear via telephone shall file a motion or request for remote hearing at least seven days prior to the scheduled hearing in nonemergency cases. The Party's contact number shall be provided in the request.
3. All telephone appearances must be recorded and reported to the same extent as if the participants had appeared in person for the particular type of hearing conducted.
4. The court will specify:
 - (a) The time and the person who will initiate the telephone call;
 - (b) Any other matter or requirement necessary to accomplish or facilitate the telephone proceeding.
5. Upon convening a proceeding involving a telephone appearance, the court shall proceed in the same manner in which it would proceed if the proceeding was in-person.
6. If at any time during a hearing, conference, or proceeding conducted by telephone the court determines that a personal appearance, including video conferencing, is necessary, the court may continue the matter and require a personal appearance.

B. Video Appearances

The court on its own motion or upon the request of any party may in its discretion conduct pretrial conferences, hearings, or proceedings by the use of a live two-way video and audio-conferencing platform with attorneys and unrepresented parties.

1. If approved by the court, a party may appear by video at the pretrial conferences, hearings, and proceedings.
2. Parties who wish to appear via video shall file a motion or request for remote hearing at least seven days prior to the scheduled hearing in nonemergency cases.
3. All video appearances must be recorded and reported to the same extent as if the participants had appeared in person for the particular type of hearing conducted.
4. The court may specify:
 - (a) The time and the link and or telephone number by which the individual can join the proceeding;
 - (b) Any other matter or requirement necessary to accomplish or facilitate the proceeding -- including the providing of email addresses or other links within

sufficient time to enable the video appearance.

5. Upon convening a proceeding involving a video appearance, the court shall proceed in the same manner as if the proceeding was being conducted in-person based on the type of proceeding.
6. If at any time during a pretrial conference, hearing, or proceeding conducted by video-conferencing the court determines that a personal appearance, is necessary, the court may continue the matter and require a personal appearance.

C. Hybrid Appearances

The Court on its own motion or upon the request of any party may in its discretion conduct pre-trial conferences, hearings or proceedings by any combination of in-person, audio or video appearances if the court determines it is appropriate. The court will follow the above-stated procedures and guidelines depending on the medium used.

D. Confidential Attorney-Client Communication

As necessary, provisions shall be made to preserve the confidentiality of attorney-client communications and privilege.

E. Technical Standards and Equipment

The equipment and platform used in any hearing or proceeding conducted under this rule must conform to the following minimum requirements in order to allow all participants, regardless of disability or other barriers, to participate in proceedings:

1. All participants must be able to see and/or hear and communicate with each other simultaneously.
2. All participants must be able to see, hear, or otherwise observe any documents, physical evidence, or exhibits presented during the proceedings, either by video, facsimile, or other method.
3. The telephonic or audiovisual technology may be digitally recorded and may be transcribed at the request and cost of any party.
4. The use of telephonic or audiovisual technology in conducting hearings and proceedings shall in no way abridge any right of the public.

5. Reasonable accommodations will be made for any disabled person wishing to appear remotely. Requests for these accommodations shall be included with the motion for remote appearance.

F. Electronic Signatures

Electronic signatures shall not be permitted on any filings without prior Court approval.

G. Use of other forms of technology not specifically addressed in this rule may be permitted upon the application of any party, approval of the court, and agreement of all parties deemed necessary to the proceeding by the judge.

H. Instructions on how to use an approved technology are available upon request.

I. Facsimile Filing

1 Filing by facsimile or other electronic means is not permitted on any matter that involves a filing fee as set forth in Local Rule 2 or Appendix A. Permitted pleadings and other papers may be filed with the Clerk of Courts by facsimile transmission [fax] to 419-448-5060 pursuant to the authority extended by Civil Rule 5(E) and Juvenile Rule 8. The Court adopts the following procedures for the acceptance of facsimile copies, subsequent to the original filing of the complaint, of pleadings and other papers not longer than ten (10) pages in length. No document longer than ten (10) pages in length shall be filed this way.

2. A document filed by fax shall be accepted as the effective original filing. The person making the filing need not file any source document with the Juvenile Court but must, however, maintain in his or her records and have available for production upon request by the Court, the source document filed by fax, with original signatures as otherwise required and under applicable rules, together with the source copy of the facsimile cover sheet used for the subject filing.

3. The source document filed by fax shall be maintained by the person making the filing until the case is formally closed by the Court and all opportunities for post judgment relief are exhausted. The person making the filing shall also maintain the verification receipt that the transmission was completed without problems.

4. The person filing a document by fax shall also provide therewith a cover page containing the following information:

1. The name of the Court;
2. The caption of the case;
3. The case number;
4. The assigned Judge/Magistrate;
5. The title of the document being filed;
6. The date of transmission;
7. The transmitting fax number;
8. An indication of the number of pages in transmission including the cover page;
9. The name, address, telephone number, fax number, Supreme Court Registration Number, if applicable, and e-mail address of the person filing the fax document, if available.

5. The Clerk's Office is not required to send any form of notice to the sending party of a failed fax filing. However, if practicable, the Clerk or Deputy Clerk may inform the sending party of a failed fax filing. Burden of confirming receipt of fax is on the sending party.

6. Subject to the provisions of these rules, all documents sent by fax and accepted by the Juvenile Court Clerk or Deputy Clerk shall be considered filed with the Juvenile Court Clerk's Office as of the date and time the Clerk or Deputy Clerk time-stamps the document received, as opposed to the date and time of the fax transmission. The office of the Juvenile Court will be deemed open to receive facsimile transmission of documents on the same days and time the Juvenile Court is regularly open for business as set forth in Rule 1.01. The risks of transmitting a document by fax to the Clerk's Office shall be borne entirely by the sending party. Anyone using facsimile filing is urged to verify receipt of such filing by the Clerk.

RULE 1.08 INTERPRETATION OF RULES

(A) These Local Rules shall be interpreted to achieve the prompt, efficient, and fair resolution of cases. In the event that any portion of a rule is found to be ambiguous, the rule shall be interpreted as follows:

- (1) To be consistent with the Ohio and United States Constitutions, the Ohio Rules of Civil Procedure, the Ohio Rules of Criminal Procedure and the Ohio Rules of Juvenile Procedure;
- (2) To be practical and efficient in their operation;

(3) To be taken in context with the other portions of these rules.

(B) Upon application, and for good cause shown, the Juvenile Court may grant exceptions to these rules.

(C) The Court reminds all parties that Juvenile Rule 1 (C) specifically provides that the Juvenile Rules do not apply to “proceedings to determine parent-child relationships.” As such, the Rules of Civil Procedure apply to custody proceedings in the Juvenile Court except when they are clearly inapplicable. See: Leonard v. Yenser, 3d Dist. 2003-Ohio-4251.

RULE 2 SECURITIES FOR COST

RULE 2.01 DEPOSITS FOR COSTS

(A) The Clerk's Office shall not accept any action or proceeding for filing without the requisite filing fee set forth in the attached Schedule of Filing Fees.

(B) Any deposit on account that does not exceed \$10.00 at the conclusion of the case may be retained by the Court and placed in the general fund of the Court.

RULE 2.02 INABILITIES TO PRE-PAY COST

(A) In cases of indigence, the Court may waive payment of the filing fee at the time of the filing of the pleading. The party requesting waiver must file a Motion to Waive Filing Fee accompanied by a completed and sworn to affidavit of indigence (Public Defender form). The substantive pleading is submitted to the Court at the same time. The filing of the Motion to Waive Filing Fee does not relieve a party from liability for the filing fee. In determining whether to waive the requirement of a deposit, the Court will consider whether the party seeking the waiver has other outstanding cost owed to the Court. If the Motion is granted, the Court retains the authority to require a payment plan or to assess the filing fees against any party at the conclusion of the case. If the Motion is not granted, the party moving for waiver will have fourteen days after the denial to remit the filing fee to the Court. If the party fails to do so, the substantive pleading submitted with the Motion to Waive Filing Fee will be returned to the party without further action.

RULE 2.03 PAYMENT OF FINES AND COSTS

(A) In any case where fines and/or costs are assessed against a party, said fines and/or cost are due immediately unless otherwise ordered by the Court. Failure to pay can result in a citation for contempt or other collection efforts. Any over payment in excess of \$10.00 will be returned to the payer.

RULE 2.04 DEPOSIT FOR FEES OF GUARDIAN AD LITEM

(A) Any party requesting appointment of a Guardian ad Litem in a proceeding involving allocation of parental rights and/or parenting time shall, at the time of filing the request for appointment of a Guardian ad Litem, deposit with the court the sum as set forth in Appendix A.

RULE 3 COUNSEL OF RECORD

RULE 3.01 GENERAL

(A) It is the duty of any attorney upon representation of a juvenile or a party in any civil or criminal action to immediately notify the Court of such representation in writing.

(B) Every party that has the right to be represented by counsel, as provided in R.C. § 2151.352, shall have the right to Court appointed counsel, if found to be indigent. Any party found eligible for Court appointed counsel shall pay a Twenty-Five Dollar (\$25.00) application fee per case to the Clerk of Courts within seven (7) days of determination of indigency. 7. All Shared Parenting Plans must be filed pursuant to Ohio Revised Code §3109.04 and Local Rule 7.04 (D).

Upon the receipt of the proper paperwork and application fee, the Juvenile Clerk may set said Motion for pre-trial. All parties are to attend the pre-trial. If the matter is not settled, a trial date shall be set.

(C) All documents shall only contain the last four digits of the Social Security number of the parties and the date of birth of any minor child(ren).

(D) Shared Parenting:

Where a party seeks shared parenting, shared parenting plans shall be filed in accordance with ORC 3109.04. Any request for deviation of child support shall comply with ORC 3119.22 and 3119.23. If a court has previously determined paternity or made orders regarding child support, health insurance, medical expenses or tax exemptions, the shared parenting plan shall reference the case number and court in which such determinations or orders were made, but the shared parenting plan shall not modify such orders.

All shared parenting plans must be attached to and accompanied by a Motion for shared parenting signed by one parent (in the event of a single plan) or both parents (if a joint plan). The plan is to be filed with the Court thirty days prior to the hearing date.

The following are those provisions which must be included in a shared parenting plan. Other provisions may be added as needed or agreed.

1. PHYSICAL LIVING ARRANGEMENTS:

This section needs to describe the regular living schedule of the child(ren) in each parent's home. It is important to keep in mind that a pattern which would be appropriate for a preschool-age child may have to be altered once the child(ren) is attending school, and to the extent that the parties are able to project into the future and provide for a reasonable and practical plan for the child(ren), this may be an appropriate section to provide for such changes.

While it is not mandatory, the parties may wish to designate one party's home as the "primary residence" and another party's home as the "secondary residence". **IT IS NOT APPROPRIATE TO DESIGNATE ONLY ONE OF THE PARENTS AS "RESIDENTIAL PARENT" IN A SHARED PARENTING PLAN.** "Residential Parent" means sole, legal custodian. In a shared parenting plan, both parents are legal custodians of the child(ren) and the use of the term "residential parent" for one parent only is contradictory to the shared parenting concept.

It is also not appropriate to state that each parent is the residential parent and legal custodian when the child(ren) are residing with that parent. See: ORC 3109.04(K)(6).

EXCEPTION: The statute does permit the designation of one parent as the residential parent for school purposes or as residential parent for tax exemption purposes or as residential parent for purposes of ADC eligibility but those specific designations do not affect the status of both parents as residential parents and legal custodian of the child(ren).

2. HOLIDAYS, VACATIONS, ETC.

In spite of the fact that the living arrangements for the child(ren) may have been fully described, a specific provision must be included in a shared parenting plan for sharing the major holidays, vacation, birthdays, etc. This is also the appropriate section to include any provision for visitation with grandparents or other relatives. The Seneca County Local Rule (Rule 8) may be incorporated in part or in whole in the plan.

3. SCHOOL:

The statutory scheme mandates the designation of a school district. Our court recognizes the difficulty in those cases where the child(ren) are not school age and the living arrangements of the parties at the time of a new decree may be somewhat temporary and subject to change. The provision should deal with the issue of school placement the extent that the parties can determine the most likely possibility at the time the matter is before the court. An acceptable alternative is to designate the school district where either the mother or father resides. AGREEMENTS TO AGREE WHEN THE CHILD(REN) REACH SCHOOL AGE ARE NOT ACCEPTABLE.

4. CHILD SUPPORT:

A support computation sheet must be prepared as part of a shared parenting plan utilizing appropriate guideline calculation.

It is common to have deviations from the child support guidelines in shared parenting cases; however, it is by no means considered automatic for neither party to pay support just because it is a "shared parenting." Where a disparity of income exists and/or a disparity of physical care of the children exists, the exchange of child support is still considered appropriate and equitable. For the most part, only cases where there is equal income and equal time spent in each household will a lack of child support exchange be considered equitable, provided, there are adequate provisions for all of the children's financial needs incorporated in the plan (See paragraph 5).

Deviations from the guideline-suggested amount must be explained in financial or monetary terms on line 26 of the computation sheet. Criteria for deviation from the guidelines are enumerated in ORC 3119.22 and 3119.23 and in addition, there are some specific "extraordinary circumstances" applicable to shared parenting orders which are enumerated in R.C. 3119.24(B)(1) through (4) and read as follows:

- (i) The amount of time that the child(ren) spend with each parent;
- (ii) The ability of each parent to maintain adequate housing for the child(ren);

(iii) Each parent's expenses, including but not limited to child care expenses, school tuition, medical expenses, and dental expenses.

5. OTHER CHILD-RELATED FINANCIAL MATTERS:

Where no child support is being exchanged or the child support to be exchanged is significantly less than the guideline amount, a provision for an appropriate sharing of financial expenses of the child or children, including but not limited to employment related child care, clothing, school fees, camp or sports fees, lessons and extracurricular activities, needs to be included.

6. PROVISION FOR CHILD/CHILDREN'S HEALTH CARE NEEDS:

A recitation of who will cover the child on medical insurance must be included in every shared parenting plan.

The shared parenting plan must include: (1) designation of one or both parents to provide health insurance; and (2) designation of the responsibility for payment of uninsured medical, dental and optical expenses, and psychological expenses.

A reference to Local Rule 10 may be utilized for determination of unreimbursed medical expenses.

7. TAX EXEMPTIONS:

Since both parties are custodial parents, the tax law is of little assistance for determining who will be entitled to claim the children as dependents for tax purposes. That issue must be addressed in the shared parenting plan. It is also appropriate to require the parent who will not be getting the tax exemption or will not be getting it for a particular year to cooperate and execute any and all forms required by the Internal Revenue Service.

8. OUT-OF-STATE RELOCATION:

Both parents shall give written notice to the other parent immediately upon any change of address and/or phone number.

Neither parent shall relocate the children out of state without first obtaining a modified visitation order. The parties may submit an agreed order modifying visitation, with a provision for allocation of transportation expenses, to the court for adoption by the court as an order. If the parents are unable to agree, the moving parent shall, prior to relocation, 1) file a motion asking the court to modify the visitation schedule; 2) set a hearing; and 3) obtain a

modified visitation order. No continuances of the hearing will be granted without written permission of the assigned judge. The plan may simply incorporate the standard Order of the Court pursuant to Ohio Revised Code Section 3109.051(G).

9. ACCESS TO CHILD'S/CHILDREN'S RECORDS:

Both parents shall have access to the same records, same school activities and to any day-care center which the children attend on the same basis that said records or access is legally permitted to a custodial parent, unless a restrictive order has been obtained from the court. It is the responsibility of the parent obtaining a restrictive order to serve it on the appropriate organization. The plan may simply incorporate the standard Order of the Court pursuant to Ohio Revised Code Sections 3109.051(H); 3319.321(B)(5)(a) and 3109.051(J).

10. RELIGIOUS TRAINING:

Any agreement reached between the parents on religious training, if appropriate, may be included in the shared parenting plan.

11. MISCELLANEOUS PROVISIONS:

The parents may wish to include provisions concerning cooperation, open communication, encouragement of love and affection for the other parent, etc.

Post high school education costs may be addressed in the plan as well as any other matter of importance to the parents.

12. MODIFICATION OF SHARED PARENTING PLAN:

A method for modification of the shared parenting plan may be included in the plan. The most typical provisions are:

- a. any modification shall be in writing, signed by both parties;
- b. modification shall be in accordance with R.C. 3109.04(E)(2)(a) or (b);
- c. parties shall engage in mediation to resolve any disputes that arise and shall share costs of mediation equally before filing any motion in court to modify this plan.

(E) Change of Circumstances

Where a showing of a change of circumstances is required for a motion to change custody or to modify a shared parenting plan, the alleged change of circumstances shall be generally identified in the motion. It shall not be sufficient to simply state that “a change of circumstances has occurred”.

(F) Name Changes for Minors

Unless specifically plead as part of a parentage action filed pursuant to ORC 3111.04, name changes for minors are governed by ORC 2717.01. In order to properly effectuate a name change, a person must file an application in the Probate Court of the county in which the child resides.

RULE 7.05 MOTION IN CONTEMPT

(A) A Motion in Contempt shall be commenced by the moving party filing the following:

1. Motion specifically stating the basis for the contempt citation;
2. Notice of Rights;
3. Brief in Support;
4. Supporting Affidavits;
5. Request for Service;
6. Appropriate filing fee.

(B) A Party motioning for reasonable attorney fees must articulate to the Court the legal basis for such a request and offer evidence in support of said motion. The party requesting the attorneys’ fees has the burden of providing evidence that the hours worked were necessary to the action and that the amount of the fees is reasonable.

(C) The party filing any contempt action shall file a supporting affidavit as required by Local Rule 7.05 (A)(4). The affidavit shall set forth the claimed reason for the contempt and shall identify the specific Court Order the contemnor has allegedly violated by identifying the filing date of the order and the specific paragraph, article or section where the order may be found. A copy of the Court Order the contemnor has violated shall be attached to the affidavit. If the claim is a failure of payment of support the affidavit shall include the amount of delinquency claimed. In the event the claim is for failure to pay medical expenses, the affidavit shall include the amount of such medical expenses. The party against whom the contempt action has been filed shall be served with a copy of the affidavit along with the motion for an order in contempt.

RULE 7.06 RESIDENTIAL PARENT– NOTICE OF INTENT TO RELOCATE

(A) A residential parent shall file a notice of intent to relocate with the deputy clerk of this Court and the Child Support Enforcement Agency (herein CSEA) within thirty (30) days of said move, the notice shall contain the name and address of the residential parent, names of the child(ren), proposed residence, and the name and address of non-residential parent.

(B) Pursuant to ORC 3109.051 (G)(1), upon receipt of the notice, the Court, on its own motion or the motion of the parent who is not the residential parent, may schedule a hearing with notice to both parents to determine whether it is in the best interest of the child to revise the parenting time schedule for the child.

RULE 7.07 PARENTING COORDINATOR/CHILD CUSTODY EVALUATOR

(A) Superintendence Rule 90.01 requires that Courts that use “parenting coordinators” to adopt a local rule governing its use. Additionally, Superintendence Rule 91.03 requires Courts that use “child custody evaluators” to adopt a local rule governing its use.

The Court has chosen not to use Parenting Coordinators or Child Custody Evaluators under Superintendence Rule 90 and 91, and therefore will not adopt a rule for appointment at this time.

RULE 8 -PARENTING TIME/VISITATION/COMPANIONSHIP

The standard Parenting Time (visitation) rules for the Seneca County Juvenile Court follow as Appendix C. Should there be a conflict, dispute or contempt proceeding necessitating interpretation of former Rules the Court reserves discretion to make a ruling resolving all conflicts.

RULE 9 CHILD SUPPORT

RULE 9.01 SCHEDULE OF SUPPORT

(A) In every case in which child support is ordered, the amount of support shall be calculated in accordance with the schedule of support set forth in Ohio Revised Code §3113.215, subject to the permissible statutory deviations.

(B) All support payments for child support are ordered payable through the Child Support Enforcement Agency and shall include a poundage fee on each payment in accordance with the Ohio Revised Code.

(C) The parties are required to comply with ORC 3119.05 in providing income verification. ORC 3119.05 (A) states that when a Court computes the amount of child support required to be paid under a child support order:

“The parents' current and past income and personal earnings shall be verified by electronic means or with suitable documents, including, but not limited to, paystubs, employer statements, receipts and expense vouchers related to self-generated income, tax returns, and all supporting documentation and schedules for the tax returns.”

Additionally, it has been established that pursuant to R.C. 3119.05(A) a Court is required to review documents, not testimony, to establish income, and failure to obtain the necessary financial information before calculating child support order renders the Court's order arbitrary and therefore an abuse of discretion. See: *Brose v Copeland* (3rd Dist.) 2013-Ohio-3399; and *Montgomery v. Montgomery*, 2015-Ohio-2976 (3rd Dist.).

Therefore at hearings involving computation of support, the parties shall be prepared to submit to the Court the following:

- 1) Copies of most recent Federal Income Tax Returns, and/or W-2 wage statements.
- 2) Copy of the most recent pay stub or payroll report.
- 3) Verification of cost of health insurance for the child(ren).

(D) Support shall be computed and a copy of the Guideline worksheet shall accompany the Judgment Entry addressing the issue of support with the appropriate effective date the support is to begin being paid.

(E) All payments made by the obligor directly to the obligee shall be considered a gift, unless the payment is made to discharge an obligation other than support.

RULE 9.02 SUPPORT MODIFICATION REQUESTS

(A) Any motion filed by either the obligor or obligee to terminate or reinstate support due to a change in the living arrangements between the two parties, will be addressed by the Court after the parties have either lived together for a period of six (6) months or have been separate for six (6) months.

RULE 9.03 TITLE IV-D APPLICATION

(A) In any case involving a support order, the Obligee under the order shall be required to sign an application for Title IV-D Services. The executed application shall be submitted to the Court. If the Obligee is certified IV-D at the time of the hearing, Obligee does not have to sign the application.

RULE 9.04 CURRENT SUPPORT RECORDS

Prior to all hearings regarding existing child support obligations, Counsel and/or parties shall obtain current support records from the CSEA, prior to the day of hearing, to reflect payment history, the amount of any assigned and/or unassigned arrearages, and Administrative fees. If necessary, in accordance with Ohio Administrative Code Rule 5101:12-20, a JFS 04001 (Request for Case Information) form shall be completed and provided to the CSEA with the request for information.

RULE 10 DEFINITION OF REASONABLE AND ORDINARY MEDICAL EXPENSES

(A) Reasonable and ordinary shall mean medical, dental, etc., expenses totaling \$100.00 or less per calendar year per child.

(B) Anything over \$100.00 per year per child shall be deemed extra-ordinary and shall be split between the parties according to the percentage of child support due. The custodial parent shall promptly notify the other parent by written statement of the date, cost, service provided, and by whom for each child of all medical, dental or other health related expenses. After the total sum of \$100.00 per year per child has been paid by the custodial parent for that year, the non-custodial parent shall either reimburse the custodial parent or pay the bill directly to the creditor within ten (10) days of receipt of said expense. If the custodial parent does not submit the bill to the other party within 30 days of receipt of the bill, the parent waives reimbursement and shall be 100% responsible for payment unless he/she can demonstrate good cause otherwise.

(C) When it is determined that it is necessary for the minor child to have major medical, dental, orthodontic, optical, surgical, hospital, prescription, psychiatric, or psychological expense not of an emergency nature, which the non-custodial parent is obligated to pay, then the custodial parent shall immediately notify the non-custodial parent before authorizing treatment. The non-custodial parent has the right to know the necessity for, proposed cost of, and proposed payment schedule for treatment. The non-custodial parent may also secure an independent evaluation to determine the necessity for treatment of the child.

(D) The Juvenile Court expressly reserves jurisdiction to apportion payment of exceptional medical, dental, etc. expenses between the parties, which are not covered by insurance, upon motion of either party.

(E) The parent obligated to provide insurance coverage shall promptly provide the other parent the insurance cards and forms for all dependents for all coverage available for the use and benefit of the minor child(ren).

RULE 11 GUARDIAN AD LITEM

Rule 11.01 GENERAL

(A) The Court may appoint a CASA/Guardian ad Litem or Attorney Guardian ad Litem to represent the best interest of a minor child in Delinquency/Unruly, Dependent, Neglected and Abuse proceedings consistent with the Ohio Rules of Juvenile Procedure. The report shall not be removed from the Courthouse. Any copies of the report provided by the Court for purposes of inspection shall be collected and destroyed at the conclusion of the inspection process. Unauthorized disclosure of the report may be subject to Court action, including the penalties for contempt, which include fine and/or incarceration.

A Guardian *Ad Litem* may file a written request to restrict public access to the Guardian *Ad Litem* Report or a portion of the report, after trial, to preserve the privacy, confidentiality, or safety of the parties or the person for whom the Guardian *Ad Litem* was appointed in accordance with Rule 45 of the Rules of Superintendence for the Courts of Ohio.

Rule 11.07 GUARDIAN FEES

The objection or appeal should be accompanied by a supporting memorandum. If a finding of fact or weight of the evidence argument is part or all of the basis for the objection, a transcript of testimony is necessary to support the objection to the Magistrate's Decision or Magistrate's Order and must be filed with the Court by the moving party within thirty (30) days after the filing of the objections, unless the Judge, in writing, extends the time period. Partial transcripts may be permitted upon leave of the Court. If a transcript is necessary, a party may file a Motion for Extension of Time to File Objections or Appeal to allow for preparation of transcript. Pursuant to Local Rule 1.05 (C), it is the responsibility of the objecting party to provide a typed transcript of the hearing to the Court pursuant to Ohio Rules of Civil Procedure 53 (D)(3)(b)(iii) and Ohio Rules of Juvenile Procedure 40(D)(3)(b)(iii). (C) Objections or appeals may be set for oral hearing upon the request of any party at the sole discretion of the Court. A memorandum in response may be filed by any party within seven (7) days of the filing of the memorandum in support of the objections or appeal.

(B) The Motion shall be accompanied by a memorandum stating the party's position with particularity. The filing of a Motion to Set Aside does not automatically stay the Magistrate's Order. A separate Motion to Stay may be filed, and may be approved or modified by either the Judge or the Magistrate who issued the Order.

RULE 14 DIVERSION

(A) The Court may, in its discretion, divert any case, pursuant to Juvenile Rule 9, that is felt to be in the best interest of the juvenile. The juvenile and/or parent shall be assessed a fee for each case (See Appendix A) diverted and complete all requirements set forth by the Diversion Officer.

LOCAL RULE 20-PUBLIC RECORDS POLICY

Effective January 1, 2008

It is the policy of the Seneca County Common Pleas Court, Juvenile Division, to adhere to Ohio's Public Records Act and to those portions of the Ohio Revised Code and the Ohio Rules of Juvenile Procedure, and the Rules of Superintendence (and any amendments thereto), that require certain records to remain confidential. Any denial of public records in response to a valid request must be accompanied by an explanation. If the request is in writing, the explanation must also be in writing.

1.05.01 Public Records:

This court, in accordance with the Ohio Revised Code, defines records as including the following: any document – paper, electronic (including, but not limited to e-mail), or other format – that is created or received by, or comes under the jurisdiction of a public office that documents the organization, functions, policies, decisions, procedures, operations, or other activities of the office. All records of this court are public records unless confidential or otherwise exempt from disclosure under the Ohio Revised Code, the Ohio Rules of Juvenile Procedure, or the Rules of Superintendence (and any amendments thereto).

1.05.02 It is the policy of this court that, as required by Ohio law, records will be organized and maintained so that they are readily available for inspection and copying. Record retention schedules are to be updated regularly and posted prominently.

1.05.03 Certain records kept by this court are excluded from public inspection by applicable provisions of the Ohio Revised Code, the Ohio Rules of Juvenile Procedure and the Rules of Superintendence, if applicable, (and any amendments thereto), and shall not be released to the general public. These records include, but are not limited to:

- a. Adoption records or documents (R.C. 149.43(A)(1)(d));
- b. Probation documents, including but not limited to: probation officers' case notes, community service, diversion, and restitution information for children on probation. (R.C. 149.43(A)(1)(b); 2151.14(B);
- c. Judge's or Magistrate's trial notes (R.C. 149.43(A)(1)(g));
- d. Putative Father Registry information (R.C. 149.43(A)(1)(e));
- e. Records of Minors seeking approval for abortion (R.C. 149.43(A)(1)(C));
- f. DNA records (R.C. 149.43(A)(1)(j));
- g. Records maintained by the Ohio Department of Youth Services pertaining to children in its custody released to the Department of Rehabilitation and Correction (R.C. 149.43(A)(1)(l));

- h. Estate tax returns in the possession of the Probate Court, Department of Taxation, County Auditor, County Treasurer and Ohio Attorney General (R.C. 5731.90);
- i. Medical records which include documents pertaining to medical history, diagnosis, prognosis, or medical condition of a patient including psychiatric history, diagnosis and prognosis (R.C. 149.43(A)(1)(a); 2151.14(B); Juv.R. 32(C));
- j. Confidential law enforcement investigatory records (R.C. 149.43(A)(1)(h));
- k. Sealed or expunged records (R.C. 2151.355 to 2151.358, et seq.);
- l. Recording of proceedings (Juv.R. 37(B));
- m. Fingerprints and photographs, and records of an arrest or custody that was the basis of the taking of fingerprints or photographs (R.C. 2151.313(D); and,
- n. Records the release of which is prohibited by state or federal law (R.C. 149.43(A)(1)(v)).

1.05.04 Each request for public records should be evaluated for a response using the following guidelines:

- a. Although no specific language is required to make a request, the requester must at least identify the records requested with sufficient clarity to allow the court to identify, retrieve, and review the records. If it is not clear what records are being sought, the records custodian must contact the requester for clarification, and should assist the requestor in revising the request by informing the requestor of the manner in which the office keeps its records.
- b. The requestor does not have to put a records request in writing, and does not have to provide his or her identity or the intended use of the requested public record. It is this court's general policy that this information is not to be requested.
- c. Public records are to be available for inspection during regular business hours, with the exception of holidays. Public records must be made available for inspection promptly. Copies of public records must be made available within a reasonable period of time. "Prompt" and "reasonable" take into account the volume of records requested; the proximity of the location where the records are stored; the accessibility of the records; and, the necessity for any legal review of the records requested.
- d. Each request should be evaluated for an estimated length of time required to gather the records. Routine requests for records should be satisfied immediately if feasible to do so. All requests for public records must either be satisfied or be acknowledged in writing by the court within five (5) business days following the court's receipt of the request. If a request is deemed significantly beyond "routine", such as seeking a voluminous number of copies or

requiring extensive research, the acknowledgement must include the following: i) an estimated number of business days it will take to satisfy the request; ii) an estimated cost if copies are requested; and, iii) any items within the request that may be exempt from disclosure.

- 1.05.05 Any denial of public records must include an explanation. If portions of a record are public and portions are exempt, the exempt portions are to be redacted and the remainder released, if permitted by Ohio law. If there are redactions, each redaction must be accompanied by a supporting explanation.
- 1.05.06 Those seeking public records will be charged only the actual cost of making copies. Requestors may ask that documents be mailed to them. They will be charged the actual cost of the postage and mailing supplies.
- 1.05.07 Documents in electronic mail format are records as defined in the Ohio Revised Code when their content relates to the business of the court and is not confidential or otherwise exempt by applicable Ohio law or the Ohio Rules of Juvenile Procedure or the Rules of Superintendence, or any amendments thereto. E-mail is to be treated in the same fashion as records in other formats and should follow the same retention schedules.
 - a. Records in private e-mail accounts used to conduct public business are subject to disclosure, and all employees or representatives of the court are instructed to retain their e-mails that relate to public business and to copy them to their business e-mail accounts and / or to the court's records custodian.
- 1.05.08 This policy applies to all departments of the Juvenile Division.

Standard Parenting Time (Visitation) Order

LOCAL RULE 8 -PARENTING TIME/VISITATION/COMPANIONSHIP

The following are the standard Parenting Time (visitation) rules for the Seneca County Juvenile Court. To keep pace with societal changes, the Seneca County Juvenile Court has from time to time amended its standard visitation rules. To avoid confusion regarding application of the various rules, effective February 1, 2017, the following shall be designated as the standard rule of this Court. Should there be a conflict, dispute or contempt proceeding necessitating interpretation of former Rules 49, 50 and 51, or Local Rule 8, the Court reserves discretion to make a ruling resolving all conflicts. However, all parties are notified that these rules shall be the standard visitation Order unless agreed or Ordered otherwise on all Orders issued by the Seneca County Juvenile Court.

STANDARD PARENTING TIME (VISITATION) ORDER

NOTE: If interpretation of these rules involves a prior rule, or a custodian as opposed to a parent, the term “residential parent” and legal custodian shall be considered the “Mother” for interpreting the rules.

These rules set forth specific times for Parenting Time (visitation) to enable child(ren) to spend an equitable amount of time with both their parents in consideration of their age, educational and extracurricular obligations and their parents’ work schedules. The times designated are designed to give the child(ren) specific periods that they can plan on to be with their parents and to provide them with stability, order and continuity.

These rules are not created to give parents legal weapons to use against each other. The Court will consider a parent’s breach of an obligation, first in the light of the effect it has on the child(ren), and secondly, its effect on the other parent.

Parenting Time (visitation) is a time for child(ren) to spend with the parent they do not live with. Liberal visiting arrangements are encouraged, as contact with both parents is important to the child(ren). **Specific items in the Journal Entry of the Court will take precedence over this schedule.**

At the outset, **visitation should be at such times and places as the parents can agree.** If the parents are unable to agree, then visitation shall be no less than the following:

Infants: 0 – 2 Months

For infants younger than two (2) months of age, the non-residential parent may spend time with the infant in the residential parent's home, or the agreed home of a relative, three (3) days per week, for two (2) hours per visit. If the parties cannot agree as to days and time, the following schedule shall be followed: on each Sunday from 2:00 p.m. to 4:00 p.m., and on each Tuesday and Thursday evening, from 6:00 p.m. to 8:00 p.m.

Infants: 2 Months – Age 2

Commencing at age two (2) months, parenting time is spent away from the residential parent's residence.

(A) Beginning at two (2) months through twelve (12) months, the non-residential parent may spend time with the child away from the residential parent's residence every Tuesday and Thursday evening from 5:30 p.m. to 8:30 p.m., and one day each weekend, alternating between Saturday and Sunday, from 10:00 a.m. to 6:00 p.m.

(B) From thirteen (13) months through twenty-three (23) months, the non-residential parent may spend time with the child as follows: every Tuesday and Thursday evening from 5:30 p.m. to 8:30 p.m., and on alternating weekends from Saturday at 10:00 a.m. to Sunday at 6:00 p.m.

(C) Holidays and days of special meaning shall be by agreement of the parties, if the parties are unable to agree, then the non-residential parent shall have the child for two hours (5:00 p.m. to 7:00 p.m.) on the days and times designated in the schedule set forth below.

Child(ren): Age 2 and beyond

After the child reaches two years of age, visitation by the non-residential parent shall be on alternating weekends from Friday at 7:00 P.M. to Sunday at 7:00 P.M. (the beginning and ending times may vary to accommodate the work schedules of the parties). This alternating weekend schedule shall not change, even if interrupted by holiday and birthday, summer and/or vacation parenting time.

There shall also be a mid-week visit every Wednesday from 5:00 p.m. to 9:00 p.m. (8:00 p.m. for child(ren) under 8).

Additionally, there shall be visits at such other times as the parents may agree. Although the parents are not obligated to do so, the Court encourages additional visitation.

Holidays and days of special meaning:

Unless otherwise indicated, holiday visitations shall commence at the regular hour as set for the commencement of weekend visitation and shall end at the regular hour set for the ending of weekend visitation. Listed holiday visitation shall take precedence over regular visitations but shall not otherwise modify it, for example, if the holiday granted in any particular year to a non-residential parent fall between the regular weekend visitations, the non-residential parent will have three weekends in a row that particular time.

Mother's Day the child(ren) shall be with the mother and Father's Day the child(ren) will be with the father. In the event this provision requires the child(ren) to be with the non-residential parent on a day not falling within the non-residential parent's visitation weekend, said non-residential parent shall receive the child(ren) at 9:00 a.m. on that day and shall return the child(ren) at 7:00 p.m. on said day.

The birthday of each child shall be spent with the mother in even numbered years and the father in odd-numbered years, provided that the visiting parent give one week's notice of his or her intent to exercise such birthday visitation. Such visitation shall take place from 10:00 a.m. to 8:00 p.m. for a child not then in school, and from 5:00 p.m. to 8:00 p.m. for a child then in school. Visitation for the child's birthday shall take precedence over other visitations. The custodial parent shall take all reasonable steps to ensure the attendance of the child's brothers and sisters at the birthday event.

In even years mother shall have the child(ren) on Halloween from 5:00 p.m. – 8:00 p.m. of the night Trick-or-Treat is scheduled in her neighborhood, and in odd years father shall have the child(ren) on Halloween from 5:00 p.m. – 8:00 p.m. of the night Trick-or-Treat is scheduled in his neighborhood.

The parents shall have the child(ren) on other holidays as follows:

Holiday visitation shall take precedence over regular alternating week end visitation and summer visitation. The Court recognizes that from time to time the non-residential parent may have visitation on three consecutive weekends.

Summer Vacation:

Child(ren) two years of age and older (as of April of the particular year) shall have summer visitation with the non-residential parent. The non-residential parent shall not be permitted to exercise his/her right five weeks visitation with the child(ren) unless he/she has maintained a consistent and regular visitation schedule with the child(ren).

The non-residential parent shall enjoy five weeks of summer visitation each year. The non-residential parent shall give the residential parent written notice of summer parenting time plans prior to April 1 of each year.

If the non-residential parent's vacation time is not dictated by his/her employer and he/she can schedule their own vacation times, then, the non-residential parent shall not schedule his/her vacation to interfere with the residential parent's vacation if the residential parent's employer dictates his/her vacation time. If the residential parent can schedule his/her vacation at any time, the non-residential parent has priority of choice for summer parenting time dates if notice is given as required. If notice is not given by April 1, the residential parent has priority in scheduling any summer vacation plans.

During summer parenting time, the residential parent receives weekday parenting time as enjoyed by the non-residential parent during the rest of the year. The alternating weekends are to continue without interruption.

If summer school is necessary for the child to pass to the next grade, both parents shall ensure that it is completed.

As part of his/her summer parenting time, each parent may arrange an uninterrupted vacation of two weeks with the child(ren). The parent who leaves town shall provide a general itinerary to the other parent, including dates, locations, addresses and telephone numbers.

GENERAL RULES REGARDING PARENTING TIME

Failure to give notice of no visitation is a waiver of that visitation.

The non-residential parent must give 24-hour advance notice of intent NOT to exercise parenting time. Unless prior arrangements are made, a parent who does not exercise the parenting time forfeits that time. Failure to exercise scheduled time is upsetting to the child(ren). A parent who continually fails to exercise this right may have parenting time modified and may be subject to other legal remedies by motion of the other parent.

Visitation shall not terminate support for that period of time, unless by specific order, since the weekly rate is adjusted for those periods of visitation and vacation visitation at the non-custodial residence.

Transportation:

The non-residential parent shall transport the child at the start of parenting time period. The residential parent shall transport the child at the end of parenting time period. This means that the parents, unless otherwise agreed to by both parents or unless ordered by the Court, shall share the transportation of the child equally. A parent, if unavailable for the pick-up of the child, shall have a responsible adult, well known to the child, provide substitute transportation for the child. All child restraint laws must be complied with by any person driving with the child. No

person transporting the child may be under the influence of drugs or alcohol. Only licensed drivers may transport the child. Unless otherwise ordered by the Court or agreed to by the parties, the child shall be dropped off/picked up at the parent's homes. If the child is to be picked up from a daycare or school facility which requires written consent for the pickup, the residential parent shall sign such written consent prior to the commencement of any parenting time period.

The child(ren) of the parties shall be picked up for visitation personally by the non-residential parent. In the event that work schedules or other circumstances exist which preclude the non-residential parent from picking up the child(ren) for visitation, the child(ren) may be picked up by the non-residential parent's spouse, a grandparent, or some other responsible adult. It is the intention of the Court that the non-residential parent visit with the minor child(ren) of the parties during scheduled visitation and that the visitation be quality-time between the non-residential parent and the child(ren). Consequently, the non-residential parent shall not leave the child(ren) for extended periods during visitation with third parties, but rather the non-residential parent shall be available at all times practicable to visit with the child(ren).

Both parties shall be diligent in having the child(ren) ready and available at the appointed times and the transporting party shall be prompt in picking up and delivering the child(ren) at their residence, provided however, that the transporting parent for visitations shall have a grace period of thirty (30) minutes for pickup and delivery if both parties live within a distance of thirty (30) miles of each other. If the one-way distance to be traveled is in excess of thirty (30) miles, the grace period shall be one (1) hour. In the event that the visiting parent exceeds the grace period, the visitation for the weekend is forfeited, unless prior notification and arrangements have been made and except in cases where the visiting parent lives in excess of thirty (30) miles away and suffers an unavoidable breakdown or delay en route, and the visiting parent promptly notifies the residential parent by phone of the delay.

Clothing:

The residential parent shall send with the child(ren) on visitation sufficient clothing and outer wear appropriate for the season to last the period of visitation. Clothing for weekend visitation shall consist of a minimum of two sets of play clothes and one dress outfit in addition to the clothes that the child(ren) are wearing at the time of the start of visitation. Clothing for summer vacation shall consist of a minimum of four sets of play clothes and one dress outfit in addition to the clothes that the child(ren) are wearing at the time of the start of visitation.

In the case of infants, sufficient bottles, formula and diapers to last the weekend or for the travel time plus one day for summer vacation. If a child is a participant in a school or extracurricular activity that occurs during regular visitation, the visitation shall take place as scheduled, but the visiting parent shall have the responsibility of taking the child to the activity.

Schoolwork:

A parent must provide time for any child to study and complete homework assignments, papers or other school assigned projects, even if the completion of this work interferes with a parent's plans with the child. If schoolwork is assigned by the school prior to the parenting time, the residential parent must inform the non-residential parent of the school work to be done, so that it may be timely completed.

Education of the child(ren):

Unless otherwise agreed, the child(ren) shall attend the public schools in the school district where the residential parent resides.

Neither parent shall enroll the child(ren) in a private or parochial school without the consent of the other or an order of Court first obtained, unless, the child(ren) were so enrolled prior to any Court Order.

School and Day Care records, notices and activities:

The residential parent shall make contact with the administrators of the schools that the child(ren) attend and cause the school to enter in its student records the name, residence address and telephone number of the non-residential parent and any information the school may need to reach the non-residential parent for routine or emergency reasons.

The residential parent shall direct and authorize the school to release any and all information concerning the child(ren) to the non-residential parent. The residential parent and the school shall make such arrangements as are necessary to timely provide to the non-residential parent copies of all grade reports, notices and bulletins that the residential parent would routinely receive from the school.

If for any reason the school is unable to provide the non-residential parent with the grade reports, notices and bulletins that the residential parent routinely receives, then the residential parent shall make copies of the same and shall immediately deliver them to the non-residential parent.

The residential parent shall be responsible to provide the following information and deliver the same to the non-residential parent as soon as it is available, to wit:

Parent teacher meetings which shall be scheduled, whenever possible, so that both parents can attend together and

School programs and all scheduled events in which the child(ren) are participants or have a particular interest in, including but not limited to the following, academic, drama,

athletic, instrumental or vocal music programs, school clubs, or other organized programs or events and

Extra-curricular programs and all scheduled events in which the child(ren) are participants or have a particular interest in, including but not limited to the following, baseball, softball, swimming, scouting, 4-H, Y.M.C.A. or Y.W.C.A, theater, music/dance recitals, church pageants and programs and any other programs or events.

Regardless of the parenting time schedule the child(ren)'s participation in extracurricular activities, school-related or otherwise, shall continue uninterrupted. It shall be the responsibility of the parent in physical possession at the time of the activity to provide the physical and/or cost of transportation to these activities. The residential parent shall timely provide the other parent with notice of all extracurricular activities, school related or otherwise, in which the child(ren) participate, schedules of all extracurricular activities and the name of the activity leader (including address and telephone number if reasonably available).

Pursuant to Ohio Revised Code Sections 3109.051(H) and 3319.321(B)(5)(a), the parties are also notified as follows:

IF THE COURT DETERMINES THAT THE NON-RESIDENTIAL PARENT SHOULD NOT HAVE THE SAME ACCESS TO SAID RECORDS AS THE RESIDENTIAL PARENT, SAID COURT SHALL ISSUE AN ORDER CONTAINING THE TERMS AND CONDITIONS TO BOTH THE RESIDENTIAL PARENT AND THE NON-RESIDENTIAL PARENT. ANY KEEPER OF A RECORD WHO KNOWINGLY FAILS TO COMPLY WITH THIS ORDER IS IN CONTEMPT OF COURT.

Pursuant to Ohio Revised Code Section 3109.051(I), the parties are also notified as follows:

DAY CARE CENTER ACCESS NOTICE: Pursuant to Ohio Revised Code Sections 3109.051(I), the parties hereto are hereby notified as follows: THE COURT ISSUING A PARENTING TIME ORDER OR DECREE PURSUANT TO THIS SECTION OR O.R.C. 3109.12 SHALL DETERMINE WHETHER THE PARENT GRANTED THE RIGHT OF PARENTING TIME

IS TO BE PERMITTED ACCESS, IN ACCORDANCE WITH O.R.C. SECTION 5104.011, TO ANY CHILD DAY-CARE CENTER THAT IS, OR THAT IN THE FUTURE MAY BE, ATTENDED BY THE CHILDREN WITH WHOM THE RIGHT OF PARENTING TIME IS GRANTED. Child(ren)'s Activities:

Regardless of where the child is living, the child's participation in extracurricular activities, whether school-related or otherwise, shall not be interrupted because of parenting time. The parent with whom the child is residing at the time of an activity shall transport the child to the activity, unless otherwise agreed by the parties, in advance of the parenting time period. Each parent shall fully inform the other parent of any organized activities of the child, in advance, complete with a schedule and the name and contact information for any activity leader, if available.

The residential parent shall not enroll a child in a school or extracurricular activity that substantially interferes with the non-residential parent's visitation rights, including summer visitation, unless the non-residential parent consents to the same.

The purpose of visitation and companionship schedules is to provide the child(ren) time to spend with their non-residential parent. The Court will not look favorably on any parent who consistently leave the child(ren) with baby-sitters or other non-family persons while the parent pursues their own pleasures or entertainment and will consider the same a violation of these Rules.

Pursuant to Ohio Revised Code Section 3109.051(J), the parties hereto are hereby notified as follows:

IF THE COURT DETERMINES THAT THE NON-RESIDENTIAL PARENT SHOULD NOT HAVE THE SAME ACCESS TO SAID STUDENT ACTIVITIES AS THE RESIDENTIAL PARENT, SAID COURT SHALL ISSUE AN ORDER CONTAINING THE TERMS AND CONDITIONS TO BOTH THE RESIDENTIAL PARENT AND THE NON-RESIDENTIAL PARENT. **ANY SCHOOL OFFICIAL OR EMPLOYEE WHO KNOWINGLY FAILS TO COMPLY WITH THIS ORDER IS IN CONTEMPT OF COURT.**

Medical, dental and optical care: The child(ren) shall continue to be cared for by the same health care providers that attended them during the time prior to a filing with the Court unless otherwise agreed to by the parties, or for geographic reasons is not practical.

If a child is ill, requiring medication or consultation with a doctor/dentist, each parent must notify the other as soon as possible.

If the child becomes ill while with the residential parent prior to a scheduled parenting time period, the parent must contact the other parent and discuss the advisability of parenting time while considering the best interest of the child as the primary concern.

If a child is ill immediately prior to a scheduled visitation, the residential parent should give 24-hour notice, if possible, so appropriate plans can be made. However, if any parenting time, weekend, holiday/birthday, or vacation is missed due to non-emergency and/or critical illness, then any missed parenting time shall be made up as follows:

Make-Up Parenting time: Any make-up parenting time required by this schedule shall occur the first weekend of the other parent immediately following the missed parenting time and shall continue during the other parent's weekends until made up in full, including partial weekends.

If the parents agree that there will be parenting time while the child is ill, the residential parent must provide written instructions and sufficient medication for the parenting time period. The non-residential parent shall notify the other parent if the child's condition worsens or does not improve as expected.

If one child is ill and does not enjoy the parenting time period, other child(ren) shall enjoy their regularly scheduled parenting time period.

The non-residential parent shall seek emergency treatment if necessary for the child(ren)) during his/her period of parenting time.

The residential parent shall communicate, in writing, any allergic or chronic condition of the minor child(ren), together with the medication and recommended treatment.

Routine medical, dental and optical care will be arranged by, and be the responsibility of, the residential parent. Consulting with the non-residential parent is not required before such routine care is undertaken.

Either parent who has the physical custody of the child(ren) at the time, shall promptly notify the other of any illness or injury that requires the child(ren) to be seen or treated by a doctor or other health care provider.

Either parent who has the physical custody of the child(ren) at the time can authorize emergency care or surgery necessary for the preservation of life or to prevent a further serious injury or condition and the same may be performed without consultation with the other parent, if time does not permit. In such event, as soon as possible, the other parent shall be notified of the occurrence and given full details of the child(ren)'s treatment and condition, the name of the treating physicians and the location of the medical facility where the child(ren) have been admitted or treated.

Neither parent shall contract for or schedule any elective surgery or orthodontic treatments for the child(ren) without timely consulting with the other parent in advance.

Neither parent shall subject the child(ren) to a piercing or tattooing of any part of their anatomy, or allow the child(ren) to do so on their own, without the consent of the other parent.

Relocation:

Either parent must notify the other in writing at least 30 days in advance of his/her intent to change residence. Each parent shall provide a current address and telephone number to the other parent at all times. If the parties move more than 150 miles apart, unless the parties agree otherwise, each shall comply with the Long Distance Parenting Time Schedule without further order of the court. The parties shall also comply with local Rule 7.06 in notifying the Court and Child Support on any change in address within 30 days prior to moving.

Pursuant to Ohio Revised Code Section 3109.051(G), the parties are also notified as follows:

IF THE RESIDENTIAL PARENT INTENDS TO MOVE TO A RESIDENCE OTHER THAN THE RESIDENCE SPECIFIED IN THE PARENTING TIME ORDER OR DECREE OF THE COURT, THE PARENT SHALL FILE A NOTICE OF INTENT TO RELOCATE WITH THE COURT THAT ISSUED

THE ORDER OR DECREE. UNLESS OTHERWISE ORDERED PURSUANT TO O.R.C. 3109.051(G)(2), (3) AND (4), THE COURT SHALL SEND A COPY OF THE NOTICE TO THE PARENT WHO IS NOT THE RESIDENTIAL PARENT. UPON RECEIPT OF THE NOTICE, THE COURT, ON ITS OWN MOTION OR THE MOTION OF THE PARENT WHO IS NOT THE RESIDENTIAL PARENT, MAY SCHEDULE A HEARING WITH NOTICE TO BOTH PARENTS TO DETERMINE WHETHER IT IS IN THE BEST INTEREST OF THE CHILD(REN) TO REVISE THE PARENTING TIME SCHEDULE FOR THE CHILD.

Address and Telephone Numbers:

Unless the Court orders otherwise, each parent shall keep the other parent informed of his/her current address and telephone/cell/text/pager number, and an alternate telephone number in the event of an emergency. Absent an order of the court, no parent shall put a block on his/her phone prohibiting the other parent from calling. Answering Machines and/or Voice Mail for both parents are encouraged, in order to facilitate communication. If either parent takes the child outside the county in which that parent resides, for a period of 24-hours or more, that parent must provide the other parent with the destination, times of arrival and departure, and method of travel and a telephone number where the child can be reached in an emergency.

Obligations imposed on both parents

When exercising parenting time, a child may exhibit a strong emotional reaction when saying good-bye to either parent. Child mental health professionals concur that this emotional response is generally quite normal, especially with young child(ren), and does not mean that the child does not love the other parent or does not want to spend time with the other parent. Both parents need to calmly reassure the child that the child will see the other parent soon. The length of the adjustment will vary. If a child indicates strong opposition to being with the other parent, it is the responsibility of each parent to appropriately deal with the situation. Parents should comfort and calmly talk with the child, and provide reassurance. Confrontation and unpleasant scenes are to be avoided. If the matter is not settled, either parent should seek the immediate assistance of a mental health professional, or file a motion with the Court. As uncomfortable as this issue may be for a parent, this issue should not remain unresolved. **IT IS THE DUTY OF THE RESIDENTIAL PARENT TO TAKE ALL REASONABLE MEASURES TO MAKE SURE THAT THE CHILD GOES FOR THE PARENTING TIME PERIOD.**

Mutual respect:

Neither parent shall criticize the other or allow a subsequent spouse or significant other to do so in the presence of the child(ren).

A parent should not, nor permit any other person to, suggest, encourage or require a child to refer to any person other than the child's parents as "mom" or "dad", etc.

Discipline:

It is presumed that the parents will use consistent discipline between the households and will communicate with each other concerning the need for discipline of the child(ren). If the parents disagree over the appropriate discipline or solutions to the child(ren)'s behavior, they should seek the help of a professional. Examples of concern are decline in grades, truancy problems, delinquency, or drastic changes in behavior.

Communication between parents:

Both parents will communicate directly with each other regarding any matters involving their child(ren). Neither parent will communicate with the other through subsequent spouses, significant others, relatives or the minor child(ren) unless such communications are amicable and are of minor significance.

It is the parent's responsibility, not the child(ren), to make all parenting time arrangements. Neither parent should communicate with a child about the issue of parenting time, or future events or activities which conflict with the other parent's scheduled time. It is not the child's responsibility to mediate or become involved in parental differences over parenting times, dates or activities. If the parties are unable to communicate with each other, they may use other adults to make parenting time arrangements. The best solution is to seek professional help to improve their ability to communicate for the best interest of their child(ren).

Communication between parent and child(ren):

Both parents shall encourage free communications between the child(ren) and other parent. Neither parent shall do anything to impede or restrict communications by E-mail, text, fax or surface mail between the child(ren) and the other parent, whether the same is initiated by the child(ren) or the other parent.

The mail exchanged by the child(ren) and either parent shall be strictly confidential between the child(ren) and that parent and such mail shall not be opened or read by the other parent.

The non-residential parent shall have the right to initiate a telephone call to each child twice each week. The duration of the call shall not exceed fifteen (15) minutes. The residential parent shall have the same rights during the summer and Christmas vacation

Each child shall have the right to initiate telephone calls to the non-residential parent at least twice each week. The duration of the call shall not exceed fifteen (15) minutes. The child shall have the same right to call the residential parent during the summer and Christmas vacation.

The residential parent shall encourage free communication between the child(ren) and the non-residential parent and shall not impede or restrict communications between the child(ren) and non-residential parent whether initiated by the child(ren) or the non-residential parent. This rule applies equally to the non-residential parent when the child(ren) is/are on extended visitation with the non-residential parent.

Religious practice:

Neither parent shall attempt to modify the child(ren)'s religious practices without the consulting with the other. If the issue is disputed, a Motion shall be filed with the Court and an evidentiary hearing will be held.

Non-Compliance:

Any of the rights or responsibilities outlined in this schedule may be enforced by the Court after the filing of the appropriate motion of either party. A parent may not withhold parenting rights because the other party does not obey another Court Order, including, but not limited to, the payment of child support.

A parent who willfully fails to comply with this schedule may be found guilty of contempt of Court.

The parents are advised that it is a violation of law for any person to obtain or attempt to obtain from a child a written or recorded statement setting forth the child's wishes and concerns regarding the allocation of parental rights. ORC 3109.04 (B) (3).

In all cases that involve minor child(ren), it shall be the responsibility of the Attorney of record to cause a copy of these Rules to be delivered to his/her client. Said attorney shall make reasonable efforts to make sure his/her client reads and understands these Rules.

LONG DISTANCE PARENTING TIME
(parents who live more than 150 miles apart)

COMPANIONSHIP SHALL TAKE PLACE AT SUCH TIMES AND PLACES AT THE PARTIES CAN AGREE (these are the most important words)

For child(ren) under the age of 2, this shall not normally be less than:

If the non-residential parent visits the community where the residential parent lives he/she is entitled to parenting time with the child(ren) if the non-residential parent provides two (2) days advance written notice to the residential parent. The parenting time may be outside the presence of the residential parent.

If the parties are unable to agree on the time to be spent with the child, then the non-residential parent may spend time with the child away from the residential parent's residence two weekday evenings from 5:30 p.m. to 8:30 p.m., through the week and one day each weekend, either Saturday or Sunday, from 10:00 a.m. to 6:00 p.m.

For child(ren) age 2 and older, this shall not normally be less than:

The non-residential parent must give the residential parent thirty (30) days' notice IN WRITING to exercise the following:

Summer Vacation- June 15 through August 15 each year, and in the

EVEN NUMBERED YEARS

ODD NUMBERED YEAR

Christmas Vacation (from
The day vacation starts to December 26)

Christmas Vacation (from
December 26 to January 2)

For purposes of this Rule, the 30 day notice time period shall commence upon the actual receipt of written notice by the residential parent.

Additional Companionship Times

(A) Weekend: Third Friday at 7:00 P.M. through Sunday at 7:00 P.M. every month if travel time between homes is less than four (4) hours. Advance notice, of one week, must be given to the residential parent of one week to exercise this additional companionship time.

(B) Father's Day to the father, and Mother's Day to the mother if there is one week advance notice to exercise this additional companionship time.

(C) If the non-residential parent travels to the community where the residential parent lives, and gives one week's advance notice of intent to exercise companionship, companionship must occur.

For each visitation it shall be the responsibility and expense of the non-residential parent to provide transportation for the commencement of visitation and it shall be the responsibility and expense of the residential parent to provide transportation for the return of the child(ren). If either parent elects to use public transportation such as airline, train or bus, it shall be the responsibility of the parent then having physical custody of the child(ren) to timely deliver them to the terminal to connect with their transportation.

While no specific times are set for long distance exchanges, due to the need for flexibility in making transportation arrangements, the Court does expect parents to be reasonable in considering their children's needs.

This parenting plan presumes that the father and the mother are good parents and that a child is safe with either parent, based on the evidence before the Court; that the father and the mother respect the right of their child(ren) to have two parents throughout the child(ren)'s life for nurturing, continuity, normal development, and emotional and economical support; and the father and mother each respects the right of the other to parent their child(ren).

This schedule presumes that if the parents have more than one child, the parenting time will be exercised with all children together.

Children whose parents live at a considerable distance from each other grow up to be as normal and healthy as children whose parents live together if the parents communicate well, and if both parents continue regular contact with their child(ren), avoid anger in front of the child(ren) when dealing with or talking about the other parent. It is normal for a child to have a strong emotional reaction to leaving his or her residential parent, and an equally strong reaction when leaving the non-residential parent. Parents need to know that their child's emotional response is natural and that it does not mean that the child does not love the other parent, or wishes not to be returned to that parent. Parents need to calmly reassure the child that he or she will see the other parent again. A healthy child should adjust to the situation.

If a child indicates strong opposition to being with the other parent, it is the responsibility of both parents to calmly talk to the child as to the child's reasons, and to work together to do what is in the child's best interest, particularly avoiding confrontation or unpleasant scenes. If the matter is not settled quickly, either parent should seek the immediate assistance of a mental health professional, or file a motion with the Court. No parent should allow a child to decide when or whether parenting time will take place. As uncomfortable as this problem may be for either parent, this issue should not go unresolved. **IT IS THE ABSOLUTE, AFFIRMATIVE DUTY OF THE RESIDENTIAL PARENT TO MAKE CERTAIN THAT HIS OR HER CHILD(REN) GO FOR ALL PARENTING TIME AND THE RESIDENTIAL PARENT DISCUSSES WITH THE CHILD IN ADVANCE OF THE PARENTING TIME THE IMPORTANCE OF HIS OR HER CONTINUING RELATIONSHIP WITH THE OTHER PARENT.**

Travel by methods other than car require the residential parent to transport the child timely to the transportation terminal for departure and for picking up.

Transportation by Car:

Any responsible adult with a valid driver's license well-known to the child(ren) may be utilized by the non-residential parent to provide transportation. All child restraint laws must be complied with by any person driving the child(ren). No person transporting the child may be a user of illegal drugs, or under the influence of alcohol.

Transportation by Airplane:

Airline regulations govern the age at which a child may fly unescorted. An older child may fly under such regulations as each airline may establish. Airline reservations should be made well in advance, and preferably non-stop. The parent who is taking the child to the airport must call the other parent immediately upon departure to notify the other parent that the child is arriving, and the parent who meets the child must immediately notify the other parent that the child has arrived. Parents should consider in making the decision on this method of transportation whether or not the child may need an adult to chaperone the flight.

Costs of Transportation:

There is no general rule about who pays the costs of transportation, regardless of which parent no longer lives in the community where the child makes his or her primary residence. Each case is different. The parents need to agree on payment of transportation expense before the first time the child needs to be transported and make their agreement part of their Court order.

Clothing:

The residential parent is responsible for providing sufficient appropriate clean clothing for the companionship period including good and play clothes, based on the lifestyle of the residential parent and child. If planned activities require special or unusual clothing needs, the non-residential parent must notify the residential parent at least two days in advance of the companionship period. If the child does not have the type of clothing requested, the residential parent is under no obligation to comply with the request. All clothing sent by the residential parent must be immediately returned at the end of the parenting time.

Summer School:

Summer school which is necessary for a child to pass to the next grade must be attended at the location of the non-residential home after receipt of written notice from the residential parent. The non-residential parent must make arrangements with both schools and be certain that documentation of completion is received by the child's school in the residential parent's community.

Address and Telephone Numbers:

Each parent must, unless the Court orders otherwise, keep the other informed of his or current address and telephone number, and an alternate telephone number in the event of an emergency. The residential parent must notify the Court of their intent to relocate.

Traditions and Family:

This schedule is in no way meant to interfere with family traditions. Each parent is encouraged to respect each other's family traditions and to adjust the parenting time schedule accordingly. Each parent should expect new family traditions will develop. It is expected that the child(ren) will continue contact with grandparents, aunts, uncles, cousins and any other family members during such times as they are with parents.

Children's Activities:

Scheduled parenting time must not be delayed because a child wishes to schedule other activities with friends, work, lessons, sports, which conflict with the non-residential parent's scheduled time with the child(ren). No residential parent shall schedule or allow a child to schedule any event which conflicts with the times and dates herein, unless the parties agree otherwise. This schedule anticipates that the child will develop new friends and relationships, and have additional activities in a different community which are presumed to be beneficial to the child.

Child's Health:

As a general rule, if a child is hospitalized, or has a serious injury or illness, each parent is entitled to be notified. If the child is ill or injured while with the non-residential parent, the parent shall secure appropriate emergency treatment. The residential parent shall be notified. Regularly prescribed medications should be sent (i.e., asthma or allergy medicine). Any health care regime recommended by the child's doctor in case of certain symptoms should be copied and sent in advance of the parenting time.

Communication between Parents:**IT IS THE RESPONSIBILITY OF THE PARENTS, NOT THE CHILDREN, TO MAKE ALL PARENTING TIME ARRANGEMENTS.**

Neither parent should communicate with a child about future events or activities which conflict with the other parent's allotted times. It is not the responsibility of a child to mediate or become involved in parental differences over times, dates, or activities. If parents have temporary difficulty communicating about either parenting time or the needs of their child(ren), parents should not enlist the child to resolve the parents' inability to talk to each other.

When Parents Do Not Communicate With Each Other:

Parents temporarily may use other adults to make arrangements for parenting time. But the best solution is to seek professional help to learn or improve their ability to work together for their child(ren)'s best interests. Failing to get the cooperation of the other parent to enter counseling, a parent should call the Counselor or file a motion with the Court to order counseling to resolve this very serious problem before the damage to the child becomes irreversible.

Communication between Parent and Child:

This schedule presumes that in place of frequent and regular physical contact which would be available if the parents lived nearer to the other, that frequent and liberal communication between the non-residential parent and his or her child(ren) is vital. Unless the parties agree or the Court orders otherwise, there shall be no limit on the number and length of telephone calls from either parent to his or her child (but the Court retains the right to limit phone calls if it finds that it is not in the best interests of the child for the other parent to have unlimited privileges, if the calls are disruptive to the child, for the purpose of interrogating the child concerning the other parent, or the calls are for harassing the other parent). If it is the practice of the residential parent to use a telephone answering device, the parents should agree in advance when the other parent will call at a designated time, so that the call may be completed. Each parent must always provide a telephone number to the other parent where the child may be reached. Each parent must provide all letters, e-mails, audio tapes, video tapes, DVD's, cd's, gifts, cards, voice mails and any written communication from the other parent to the child as soon as it is received, and must provide a home address to the other parent at all times. Each parent must also allow all communications requested by the child in his or her home to other parent (excluding telephone calls for which the parent would be charged). The child must be allowed privacy by each parent for the purpose of communicating with the other.
